EXPERIENCE:

Xtreme Plate Processing, Pearland, TX

Summer 2018

Factory Worker

Supervisor – Donnie Scarborough (832)-571-2675

Learned basics of CAD (Computer Aided Design) for cutting steel plates. Worked with group of guys to move, cut, grind, clean, mark, and pack steel plates for shipping.

Gained experience in working in a group environment, manual labor, and following instructions from supervisor.

Bellville General Hospital, Bellville, TX

Spring 2020

Office Clerk

Supervisor – Bonnie Peschel (979)-952-4621

Worked with lots of paperwork and group work with fellow employees. Projects including linking all computers and printers in hospital to the main network and labeling all PCs to find any unwanted computers connected to the network.

I gained more experience in following strict instructions from supervisor, doing tedious work, working with partners, and manual labor in some instances.

Social Media

I travel across Texas to high school baseball showcases. I record games and post highlights to social media to give kids exposure. The tournament director a lot of the time will have me do extra tasks which can include: getting places early to open up fields, transferring checks to coaches/universities for payment, and smaller things throughout the weekends that he needs help with.

Deli Partner

Supervisor –Esquiel Guevara(979)-422-1610

I worked in the Deli department for a little over 7 months. Over this time, I learned how to make party trays, take inventory, all closing and opening procedures, and all other responsibilities a deli partner would have. I worked a consistent 40 hours with a majority being openings. I got lots of customer service experience as well as food safety.
